

5.1.6

Dear Vince + Michelle  
Word cannot  
express my gratitude.  
Thank you both  
for all the work  
in my behalf to  
clear me.

I was so depressed  
Feb + March.

Things were uncovered  
during the case that  
made me believe  
it was beatable, and  
it truly turned out  
that way.

The weight of  
the world was lifted  
off my back.

Your the Best!
